## PREFACE.

---

The contents of the first three volumes of the Registers are given in this Part.

Volume A comprises what is left of the early paper registers. It is now strongly bound in leather and lettered :—

“ Baptisms, 1562 to 1564, 1583 to 1603, 1643 to 1672 ;

“ Burials, 1562 to 1564, 1588 to 1597, 1643 to 1672 ;

“ Marriages, 1562 to 1564, 1583 to 1602, 1643 to 1672.”

Some of these dates are wrong, as will be seen by the following table of contents. The first few leaves are in a much mutilated condition, and two are inverted in binding. Several leaves have actually been trimmed by the binder, and portions of entries cut away. The book contains in all 130 leaves, numbered by a modern hand on both sides from 1 to 258, 28 and 29 being duplicated.

Pages	1-6	contain	Chr., Aug., 1563 to Jan., 1564-5.
„	9-14	„	Mar., May, 1562 to Oct., 1565.
„	15-16	„	Bur., May, 1563 to Jan., 1563-4.
„	17-28	„	Bur., Aug., 1588 to June, 1597.
„	28 <sup>b</sup> -62	„	Chr., May, 1583 to Apr., 1603.
„	63-76	„	Mar., May, 1583 to May, 1602.
„	77-149	„	Bur., Nov., 1643 to May, 1672.
„	153-227	„	Chr., May, 1643 to Apr., 1672.
„	229-257	„	Mar., May, 1643 to June, 1671.

Volume B, rebound in 1879, as a note on the flyleaf informs us, contains 80 parchment leaves, and is lettered :—

“ Baptisms, 1604 to 1646 ; Marriages, 1604 to 1646 ;  
Burials, 1604 to 1653.”

The last date is an error, and should read 1646. The handwriting for the greater part is remarkably clear and distinct. The entries of Christenings, Marriages, and Burials between 1643 and 1646 are also given in Volume A, but there are so many variations between the entries as recorded in the respective volumes that it has appeared wisest to print both sets.

The entries have been copied *verbatim et literatim*, except that an apostrophe has been used to denote omitted letters, and the use of type of obsolete forms of letters has been obviated. Capital letters have been employed for personal and other names, and obviously correct words have been added in squared brackets to complete several entries worn or cut away. Some entries have been abbreviated to avoid running into two lines of print.

Volume III. contains the Christenings from May, 1643 to April, 1672; Marriages from May, 1643 to June, 1671; and Burials from Nov., 1643 to May, 1672.

In this printed volume the arrangement of the originals has been ignored and the Christenings, Marriages, and Burials are grouped in successive chronological order.

Otley is a large parish, situated about ten miles north-west of Leeds, and contains the Townships of Otley, Baildon, Bramhope, Burley, Denton, Hawksworth, Farnley, Lindley, Menston, Newhall-with-Clifton, Pool, and Little Timble.

The Society is indebted to the Revd. G. P. H. Frost and his successor, the Revd. R. Pattinson, for kind permission to transcribe and print the Registers.

WILLIAM BRIGG.

 IN THIS LAST leafe of o<sup>r</sup> Register booke after the sheits left  
 for entring of marriages because the leaves for that purpose will holde  
 out longest & before we begin with burrialls we have noted some seates  
 lately made that were not made of the common charge when there was  
 some alteration for uniformitye

S<sup>r</sup> Richard Hawksworth knight a large one. Charles Fairfax  
 Esq<sup>r</sup> one directly south against pulpit M<sup>r</sup> Henry Thomson Esq<sup>r</sup> one  
 adioyning that John Pulleine one south of that. Steade Hall one  
 there John Rodes of Thorpe & Menston one neare to the Lord Fairfax  
 his tombe one & Will'm Mawde one adioyn: made for Jeffrey Pickard.  
 Richard Potterton made one there Will'm Harrison Vicar of Otley  
 made one there for his house in Kirkgate M<sup>r</sup> Nichols preach<sup>r</sup> at Thorn-  
 ton made one for his lande at Norcroft but all theis in the Lord Fairfaxs  
 quire are to be removed that stande below the tombe are to be removed  
 if the Lord Fairfax or his heires shall so com'aund as also thoth<sup>r</sup> over  
 against them. Thomas Thomson late of Tranmire made east of litle  
 short one the [uppermost ?] east warde towarde the tombe and assigned  
 the same to Richard Warde. Lawrence Bucktrout one north of that.  
 George Kittingale gent one adioyning that John Bradley of Farneley  
 one adioyning Lawrence Bucktrouts. Henry Robinson gent one belowe  
 S<sup>r</sup> Guy Palmes his quyre. John Matthew one adioyning & oth<sup>r</sup> adioyn-  
 ing those daylie challenged. Will'm Vavasour one George Burnet one  
 Anthony Warde one Xpofer Dade one Thomas Barker one Michael  
 Steade one Stepe' Hartley one. There be also diverse other lately  
 placed. This is to be noted also that whereas there be diverse spaces  
 left without names or not perfect in the names in this Register That  
 hath happened by reason that some have caused their children to be

baptized at Denton some at Baildo' & some at Leathley & some at Fewston and have not in due time given notice or not at all or longe after. It is also to be noted that John Thackwray hath done wronge to the poore glebe of the vicariage by building a barne takeing downe part of the wall aft<sup>r</sup> that it was built & placeing a doore into the said glebe or backside & being admonished to reforme that wronge hath for diverse yeares persisted in his wronge doing Ita test' G. Harrison  
plura in sequente pagina

[97  
Robert Hogge having built a barne adioyning to the said backside hath without leave left an open hole in the wall for putting in of corne, hay, or other stuffe so purpose to have a way thorowe the Churchyard & backside to the great annoyance of the poore vicariage.

And Christofer Warde hath done worse by making a dore into the backside & using it as if it were com'on or worse

And diverse dores are made to open into the Churchyarde whereby it is much polluted.

The Lord of Hoastes grant reformation.
